

TOWN OF ISLIP BASKETBALL TRAINING CLINICS

Head Coach: Bobby Patch

Coach Patch has been a teacher and coach for over 35 years. **He is looking to improve the skill sets of boys and girls that want to receive, not only personal skills training, but "clinical training" as well.** These clinics will incorporate each players skill set into team and game situations. This will give the player the ability to learn floor spacing, offensive formations, as well as focusing on passing, shooting, defense, and rebounding. If you want to become a complete basketball player and get ready for the upcoming season, then these clinics are for you!
