AT 12 PM

**ATTENDANCE MATTERS**  
every student, every day

Our Nation and the Connetquot Community are facing an attendance crisis. Prior to the pandemic, nearly 8 million children were chronically absent. Now, that number has more than doubled.

Join our 3-week series, hosted by Olivia Fernan CCSD's Outreach Social Worker, to learn more about the problem, ways to address it, and discuss challenges/solutions with other caretakers.

While prior registration is recommended, it is not required.
