### **4 White and 4 Red Teams**

This week we continued to learn how to work in Microsoft Publisher to complete our Totem Poles. So far, we have learned to add a border, clip art, and format Word Art. We took some time to research vocabulary associated with the novel which we began to read in class. We will be reading *From the Mixed Up Files of Mrs. Basil E. Frankweiler*. We discussed the idea of “Aha” moments, and we will be using our sticky notes to annotate our reading. Students should pause to think about their reading respond by noting personal connections, questions, or predictions. Any thought about the reading can be an A-Ha moment.
