

## Week of 2/3/20

### 4 White and 4 Red Teams

Students continue to look at how the 7 habits help make us more productive people. We are finishing habits 1- 3 and students are taking another week to reflect on the goal they set for habit 3. We are looking at how famous people have used the 7 habits to help make the world a better place. We looked at the contributions of Martin Luther King Jr., Rosa Parks, and Ben Franklin. LEGO group B built the flywheel racer to see how we can use flywheel technology, like a battery, to store energy for future use. Many students had the opportunity to use Mystery Doug, Sheppard Software, and Ed Heads.

#### 4 Red and 4 White Homework:

1. *City of Ember* – read chapters 12, 13, and 14 - Write 3 A-Ha moments per chapter
2. *Get report card slip signed and return it to class next week.* Parents can email us if they prefer.
3. *Finish typing Manzo/Keane essay at home.*
4. Unfinished vocabulary and questions for chapters 1 – 11 in Ember packet.
5. Reflect on the habit 3 goal you set for this week.
6. Practice keyboarding 15 minutes everyday – at least 5 days a week. Use the Google account we created in class today or you can use the program that you use at your home school.

### 5 Red Team

This week we celebrated Chinese New Year with Mrs. Steiner, a former C-Quest parent and Mandarin expert. After giving us a tour of the history of ancient China, inventions, dragon boat races, and Chinese New Year, students had the opportunity to make their own origami boats and create Chinese lanterns. We even tried our hands at using chopsticks. Mrs. Steiner will return at the end of the month to teach us to write characters in Mandarin. We learned about Mystery Doug educational videos. We will be watching one each week (time permitting) and reflecting on what we learned by completing a Google Slide for each video and adding pictures. We ending the day by making Valentine Cards for a 104 year old U.S. Marine veteran who lives in California. He has a wish to receive as many as possible and we were happy to create them and send them off to him.

#### 5 Red Homework:

1. If you didn't finish your 7 Habits Chart it is homework. When you finish click TURN IT IN button.
2. Darkhold - Read through chapter 25 (including 25). 3 A-Ha moments per chapter.
3. If you didn't do so today please have your parents email us that they received your report card or return the slip next class.
4. Make sure your library card is written in your agenda
5. Practice keyboarding 15 minutes everyday – at least 5 days a week. You can use your Typing.com account or whatever program you use in your home school.

## 5 White Team

We started our day by making Valentine Cards for a 104 year old U.S. Marine veteran who lives in California. He has a wish to receive as many cards as possible and we were happy to create them and send them off to him. In preparation for our future guest speaker we started a Mandarin class in Pronunciator. Students finishing their work early are enjoying *Mystery Doug* learning videos and Sheppard Software to learn US and world geography. We are continuing to learn how to use HTML to create our own web sites using the course in KidOYO.

### White Homework:

1. Darkhold - Read chapters 16 -18 (including 18). 3 A-Ha moments per chapter.
2. If you didn't return your report card slip please do so next class.
3. Make sure your library card and KidOYO user name and password is written in your agenda.
4. Practice keyboarding 15 minutes everyday – at least 5 days a week. You can use your Typing.com account or whatever program you use in your home school.
