Today We Follow, Tomorrow We Lead!

Connetquot High School
Today We Follow, Tomorrow We Lead

Trust in yourself to make good decisions; believe in yourself and others

Build your own future; take pride in your academics

Integrity—what you do when no one is looking defines who you are; watch your social media sites

Respect yourself, parents, peers, schools and community; dress for success

Dedicate your life to being a great person, student, friend and community member

OUR MISSION STATEMENT

The mission of Connetquot High School is to provide a safe and nurturing environment encouraging all students to develop their capabilities to their fullest by offering a three fold program of intellectual growth, character education and responsible citizenship. As our school continues to grow and evolve cohesively from several distinct and unique communities, we will provide a learning environment that fosters respect and awareness of all individual differences.

We believe that: *BELIEF STATEMENTS*

- School should provide a safe and nurturing learning environment for children.
- A successful high school should afford students the opportunity to make a healthy and successful transition from school to community.
- High school should instill in children a love of learning that lasts a lifetime.
- Our school is a place where young people can learn how to exercise good judgment and decision making skills.
- Connetquot High School is a center of learning where wholesome dialogue should exist between staff and students; patience, respect and compassion are encouraged among all individuals.
- It is essential that all students be educated to their fullest potential.
- As our school and surrounding community continue to evolve, we will continue to provide a learning environment that fosters respect and awareness of all individual differences.
