

COVID-19 Related Educational Platforms and Subscriptions

As our school community navigates the mandated school closure, the district is sharing with its families a number of instructional resources to support children. This list includes learning options that are adaptable for individuals of all ages and abilities.

Please note, some of these resources require account log-in information and/or the acceptance of terms and conditions. The district does not maintain the content on these outside sites. Please use caution when clicking on outside links.

Families can access a number of the following resources with a single sign-on via Clever. Please use the Clever link that is featured on the Student Resources page of the district's website.

Kidoyo Community links: Students in grades 3-12 who have activated their accounts can log into their school community and code.

Instructions: Logging into your community:

1. Open a new browser tab and type in your school URL (see below)
2. Click “Sign In” on the top right corner
3. Enter your school email address and password
4. Click “Sign In” at the bottom

Note: The school email should end with: **@ccsdli.org**

Once signed in, please add a secondary email. This will help in the event of a forgotten password.

1. Click the dropdown box next to name in top right corner
2. Choose “Settings”
3. Then choose “Email” up top and click “Add a secondary email”

Password reset instructions:

1. Once on the Sign In page click “Forgot Password” above the password box
2. Enter your email and click “Reset Password”
3. An email will be sent with simple instructions to follow to reset the password
