

EDUCATION PROGRAM - 2024/2025

Naturalist Club

After-School Nature Series

Explore the wonders of nature with the Naturalist Club, Seatuck's engaging after-school program since 2018. Led by expert environmental educators, dive into dynamic adventures across our 70 acres in Islip and 200 acres in East Islip. In our fall session, embrace the changing scenery and the beginning of cooler temperatures. Experience pond exploration, native planting, and a myriad of engaging activities that unravel outdoor mysteries. With two groups, one tailored for kindergarteners to third graders and another for fourth to sixth graders, each moment is a chance to ignite curiosity through hands-on exploration. Join us in fostering a love for the natural world and uncovering its

Grades: K - 3
